[JAGADISH2006-DEV](#)

[id-arc.vercel.app](#)

Electronics and Communication Engineering student with hands-on experience in Embedded Systems, Networking, and Cyber security. Experienced in designing enterprise networks using Cisco Packet Tracer and configuring Cisco and Aruba switches. Strong understanding of TCP/IP, routing, switching, VLANs, and firewall fundamentals, with practical experience in embedded systems using ESP32 and Embedded C/C++.

PROFESSIONAL EXPERIENCE

VLSI Chip Intern

Onesys Infotech Solutions | Sep 2025 – Nov 2025

- Studied semiconductor workflows, RTL concepts, and chip architecture.
- Assisted in hardware verification, debugging, and system validation.
- Supported hardware–software co-design and engineering documentation

Network Engineer Intern

Surya 's MIB | May 2026 – July 2026

- Designed and simulated enterprise networks using Cisco Packet Tracer.
- Configured Cisco and Aruba switches, VLANs, and TCP/IP networking.
- Performed network troubleshooting and supported firewall configuration.

PROJECTS

MEDIGLOVE – IoT Emergency System

- Engineered real-time communication architecture achieving <200 ms latency.
- Integrated biomedical sensors for continuous monitoring.
- Implemented multi-device communication across interconnected nodes.

Pipeline Crack Detection Robot

- Implemented Pulse-Echo ultrasonic crack detection.
- Reduced signal noise using filtering algorithms.
- Generated real-time anomaly alerts.

TECHNICAL SKILLS

Programming: C, C++, Embedded C

Embedded: ESP32, ESP8266, Arduino, UART, SPI, I2C, Embedded Linux

Cybersecurity: Wireshark, Nmap, Burp Suite, Metasploit, Bettercap, PuTTY, WinSCP, Nginx

Tools: LabVIEW, Qt Framework, VS Code, Proteus, Git, Cisco Packet Tracer

Operating Systems: Kali Linux, Fedora, Ubuntu, Parrot OS, Windows

Networking: TCP/IP, Routing & Switching, VLANs, Cisco & Aruba Switches, Firewall Basics

EDUCATION

B.E. Electronics & Communication Engineering
Velammal Institute of Technology 2023–2027
CGPA: 7.99

ACHIEVEMENTS

- 24-Hour Hackathon Winner
- 16+ Hackathon Wins
- ₹69K+ Prize Money

LANGUAGES

English, Tamil, Telugu
